

L'Académie
Française du
Gouverneur de
Virginie 2005

People

At the French Academy, students and teachers from all over Virginia who share a passion and love for French language and culture gather to share an enriching, interesting and unforgettable experience.

Classes

Not only do students study French grammar and pronunciation, they also learn about other subjects relating to the French language and culture such as African history and art history.

Afternoon Activities

After the day's classes, students take part in activities such as basketball, cooking, volleyball, soccer, songs, and other enjoyable activities.

Projects

During their time at the Academy, students take part in a number of projects that include the newspaper, yearbook, DVD, theatre, and an African party.

Other Activities

Other activities include cheese tasting, dances, a musical celebration, and a theater café. In addition, there are French songs, games, readings and movies.

Excursions

This year, students enjoyed excursions to Monticello, Yorktown, Lake Anna, and to see the fireworks in Richmond on the Fourth of July.

Olympic Games

Students compete against other language academies to bring pride to their language. This year, the French academy did just that with a first place finish.

Au revoir!

After their time at the Academy, students, teachers and monitors returned home with a renewed interest and increased proficiency in the beautiful French language. In addition, they had fond memories of a good time spent with fellow French enthusiasts.
